ABSTRACT

What sets one simulation tool apart from another? Flexibility? Speed? Intuitiveness? Price? Or is it all about which tool can handle your unique challenges? Well, ExtendSim can and does! For more than 2 decades, ExtendSim has been innovatively solving real problems – helping industries and government find solutions that have real impact. ExtendSim is not your conventional simulation tool...it's really something much better. Learn more about the impact ExtendSim has had on your industry and others.
