A forum on selecting simulation/animation software for manufacturing

Moderator:

Averill M. Law
Simulation Modeling and Analysis Company
University of Arizona
Tucson, Arizona

Topic 1. Environments Where a Simulation Language is
        Appropriate:

Cindy L. Morey
General Motors of Canada Ltd.
Mail Code 052-001
215 William Street East
Oshawa, Ontario L1G 1K7

Topic 2. Environments Where a Simulation Package is
        Appropriate:

Mark Zimmerman
Nabisco Brands Inc.
Schaeberle Technical Center
100 DeForest Avenue
East Hanover, New Jersey 07936

Topic 3. Factors for Selecting a Simulation Language:

C. Dennis Pegden
Systems Modeling Corp.
The Park Building
504 Beaver Street
Sewickley, Pennsylvania 15143

Topic 4. Factors for Selecting a Simulation Package:

Jerry Banks
Georgia Institute of Technology
School of Industrial and Systems Engineering
Atlanta, Georgia 30332

Topic 5. Simulation and Scheduling:

F. Hank Grant and Douglas G. MacFarland
FACTROL, Inc.
P.O. Box 2569
West Lafayette, Indiana 47906
